Henrik Lund (born 2 July 1960) is a Danish **engineer** (M.Sc.Eng.1985) and **Professor in Energy Planning** at Aalborg University in Denmark. He holds a **Ph.D.** in Implementaion of Sustainable Energy Systems (1990), and a **Dr.Techn.** in Choice Awareness and Renewable Energy Systems (2009). Henrik Lund is a highly ranked world leading researcher listed among [ISI Highly Cited](#) researchers ranking him among the **top 1% researchers in the world** within engineering.

### Publications and Citations (April 2021):

- Thomson Reuters Highly Cited Researcher within Engineering since 2014: [Link](#)
- Web of Knowledge: 167 Articles and h index = 54 (12000+ citations) [Link to ResearcherID](#)
- Scopus: 179 articles and h index = 60 (15000+ citations) [Link to Scopus](#)
- Research Gate: 177 publications and h index = 62 (16000+ citations) [Link to ResearchGate](#)
- Google Scholar: 600+ publications and h index = 70 (23000+ citations) [Link to GoogleScholar](#)

### Editorial Positions

- **Editor-in-Chief** of Elsevier's high-impact journal **Energy** with annual 10000+ submissions. The journal has a high impact journal and is ranked among the top journals in the world in the field of Thermodynamics and in the category of Energy & Fuels.
- **Associate editor and/or member of the board** of several other high-ranked journals including *Applied Energy*, *Renewable Energy*, *Energy Conversion and Management* and *Energy Strategy Reviews*.

### International collaboration and mobility

- Visiting Professor: Shanghai Jiao Tong University, Shanghai, China (2015 and 2011), Università degli Studi di Napoli "Parthenope", Napoli, Italy (2015), Tsinghua University, Beijing, China, (2010), University of Main at Fork Kent, USA (2010)
- Various guest lectures at among others: Shanghai Jiao Tong University (2011 and 2015); GMIT Galway (2015); Università degli Studi di Napoli "Parthenope" (2015); Ångström Laboratory Uppsala University (2014); Institute of Engineering (IOE) Nepal (2014); University of the West of Scotland's Paisley campus, Glasgow (2014); University of Limerick (2011); Tsinghua University, Beijing (2010); University of Main at Fork Kent (2010).

### Invited presentations to peer-reviewed, internationally established conferences

During the past 5-10 years the HL has given **annually 5-10 invited plenary key-notes** at international peer-reviewed established conferences or similar events.

A full list can be found here: <http://www.en.plan.aau.dk/henriklund/presentations/>

Several of the presentations are video-taped: <http://www.en.plan.aau.dk/henriklund/video/>

### Management Experience

Henrik Lund has many years of **management experience** as head of department for approx. 200 staff persons (1996-2002), head of section for approx. 50 persons (2014 – 2016) and head of research group of 20-30 persons (2002 – present). HL has served as lead on several EU and Danish research projects including 2 IF projects, namely **CEESA** (Coherent Energy and Environmental System Analysis, 2007-2011) and 4DH (Strategic Research Centre for 4<sup>th</sup> Generation District Heating Technologies and Systems) financed by the Danish Council for Strategic Research involving 32 university and industrial partners in Denmark, Sweden, Croatia and China. 2012-2017.
